## VRANEC

The name "Vranec" translates to "black stallion", which reflects the grape's dark color and powerful character with complex aromas. The wild Vranec is tamed in this wine with a rich ruby color, sweetish taste, full body and long finish. It features a myriad of aromas of ripe forest fruits, prunes and spices. Its characteristics come to the fore with all kinds of meat and full-fat cheese, at gatherings with a lot of guests.
