SMEDEREVKA

Our most popular and sought-after wine made from indigenous grape variety Smederevka.. If we were to choose the queen of all pleasant get-togethers, hot sunny days and the best cold spritzers, our Smederevka would definitely wear the crown. The wine exudes a bouquet of fresh citrus fruits, such as lemon and grapefruit, accompanied by subtle floral notes. When paired with tasty appetizers and good company, this wine adds another dimension to the long summer days.
