Alcohol: 11% vol.
Total acidity: 7.5 g/L
pH: 3.03
Sugar: 6.5 g/L
Sweetness designation: Brut
Annual production: 20,000 bottles

Grape composition

A blend of three local varieties with Chardonnay.

Chardonnay - the international component; finesse, roundness, citrus fruit and balance.
Temjanika - highly aromatic local variety; floral and exotic notes with a characteristic muscat-like expression.
Žilavka - indigenous Balkan variety; vibrant acidity, structure and liveliness.
Smederevka - local Macedonian white variety; freshness, delicacy and a clean citrus character.

Tasting notes

Appearance: Bright, pale straw-yellow with delicate green highlights. Fine, lively bubbles forming a persistent mousse.
Nose: Fresh and expressive - white flowers, citrus, green apple and pear, with delicate tropical fruit and subtle muscat-like floral notes from Temjanika.
Palate: Light-bodied, fresh and well balanced. Crisp citrus acidity with green apple, pear and white peach. Žilavka and Smederevka provide freshness and energy, Chardonnay a soft, rounded texture, Temjanika an aromatic floral lift.
Finish: Clean, refreshing and fruity, with a delicate citrus character.
Style: Fresh | Floral | Fruity | Elegant | Easy-drinking

Food pairing

Seafood and shellfish, sushi, light salads, mild and soft cheeses, vegetables, light pasta dishes, grilled white fish, fruit-based desserts. Also suited as an aperitif.

Serving: Chilled at 6-8°C

Vinification

Method: Charmat (Martinotti) method - secondary fermentation in pressurised stainless steel tanks, then filtered and bottled under pressure.
Type of vats: Pressurised stainless steel tanks

The tank method preserves the primary fruit and floral aromatics of the grapes and delivers a fresh, youthful sparkling style.
